4232 E. Cactus Rd. Suite 207
Phoenix, AZ 85032

Phone: (602) 494-8105
Fax: (602) 494-8108

Educational and Professional Background *(As of 2/1/05)*

Dr. Stahl received a Bachelor of Science degree in Biology from the University of Cincinnati in 1976. She then graduated from Indiana University School of Medicine in 1980. Remaining in Indianapolis after earning her medical degree, she completed a residency in Psychiatry and then a fellowship in Child Psychiatry through Indiana University Hospitals in 1984 and 1985 respectively.

In her subsequent career Dr. Stahl has worked with children, adolescents and adults within the full spectrum of treatment settings. After completing her education, she practiced adult and child psychiatry in New Jersey for eight years. While there she held a position as the chief of a child and adolescent psychiatric inpatient unit. She also worked as Clinical Assistant Professor in the Department of Psychiatry with the University of Medicine and Dentistry of New Jersey.

In 1994 she moved to Phoenix, taking jobs with ComCare and Contact. In 2000 she returned to New Jersey for family reasons. During her time there she maintained a private practice, was employed with the Carrier Clinic (a freestanding psychiatric hospital), and worked in the Outpatient Psychiatry Department of University Behavioral Health (which is affiliated with the University of Medicine and Dentistry of New Jersey). She recently was delighted to be able to return to the Phoenix area. She intends to maintain practice here for the duration of her career.
