Educational and Professional Background *(As of 7/1/05)*

Vijay K. Jain, Psy.D. is a psychologist in private practice in Phoenix, Arizona. A native of Winnipeg, Manitoba, Canada, Dr. Jain moved his family to the Phoenix area in 2001. After graduating from University of Manitoba with his Bachelors of Arts (Psychology) he earned his Masters Degree at Avila College in Kansas City in 1984. Dr. Jain then pursued his doctoral degree while living in Hawaii. He received his Doctor of Psychology degree from Forest Institute of Professional Psychology and completed his residency training at Queen's Medical Center in Honolulu in 1991.

He is currently in independent practice and previously worked with the Department of Defense. He has practiced clinical psychology in Honolulu and then joined Paradise Valley Psychiatric Associates in 2001. He is dually licensed to practice in Hawaii and Arizona. He is also a member in good standing with both the American Psychological Association and Society for Personality Assessment. In addition, Dr. Jain also holds an MBA from Hawaii Pacific University that he completed in 2000.

Dr. Jain is a clinical psychologist who specializes in pediatric, adolescent, adult, and family psychology. Dr. Jain utilizes a variety of therapies to meet the demands of his patients. His core outlook and focus for psychotherapy include a psychodynamic approach as well as to concentrate on issues of self. Dr. Jain also specializes in the evaluation and treatment of anxiety and stress disorders. In addition, he has extensive experience in psychodiagnostic consultation and neuropsychological evaluation.

His career interests include interpersonal, marriage and family issues, as well as interests in organizational and consultative psychology that include executive coaching and leadership development. Dr. Jain also speaks on a variety of topics to foster better psychological health, as well as creating organizational efficiency and performance enhancement.
